Banner Count

Eisenhowers “Domination”

By the KSBS Media team

Eisenhower won their first banner last night at the evening retreat in dominating fashion. The soccer team went 2-0, the volleyball team went 1-2, the softball team went 2-0, and the basketball team went 2-1. While this is Eisenhower's first banner, the banner counter is still close among the four counties. The city of Klassen also won the Best City Award.

Senate Scandal Pt.2

In yesterday's paper we mentioned a Senate scandal. The governor has since abandoned the deal and made selections from outside the Senate. Thankfully, the governor and senate have settled their differences, in turn that Barkley will provide representation for every county in the courts.

Underground Unity

The cities of Johnson and Finley are working on a grant to build a railroad system between the cities. Both cities have agreed that this is not a top priority, but it would benefit them in many ways.

Hackysack League

The House and Senate unanimously decided to make a Hackysack league for every county. The bill is still waiting to be signed by the governor. Counties are already forming hackysack teams, with Kennedy County in the lead. From our understanding, almost everyone was in favor of the bill.

"Dole County"*

KSBS Alumni Ajit Pai

Ajit Pai attended the 52nd session of Kansas Boys State in 1989, serving in the county of Aylward, King County. While at Boys State, he was elected to be Governor. Pai served as a commissioner for the FCC from 2012-2017. Upon the swearing in of Donald Trump, he served as the Head Chair of the FCC from 2017-2021. During his tenure, Pai focused on competition, looser regulations, and public safety.

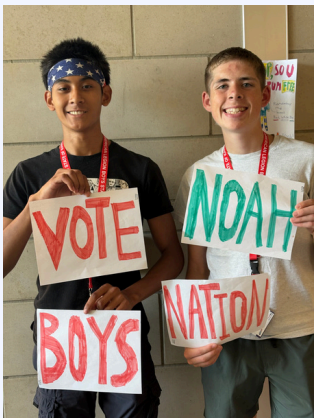

Oppression in House of Representatives

During the creation of the state's budget, the press was allowed into the House of Representatives. However, the Sergeant at Arms set a dangerous precedent by stating that the media "has no rights" while in the House. The media was then confined to the rear of the room and prevented from talking. Your Boys State media team will continue to report and keep you updated on the happenings in the House of Representatives.

*"You have no rights in here."
